ADVOCATE for the key role higher education plays in achieving the Sustainable Development Goals and Agenda 2030;

FOSTER a whole of institution approach to sustainable development at higher education institutions;

BRING TOGETHER universities from around the world on an equal footing and influence policy-makers for them.

OBJECTIVES

DEVELOP RECOMMENDATIONS to inform decision-making at institutions and the policy level;

ACT AS A RESOURCE of best practices to translate and advance SDGs in local, national and international contexts;

FOSTER PEER-TO-PEER LEARNING, collaboration and exchange among universities and other stakeholders.

ACTIONS

The work on each of the 17 SDGs is coordinated by an IAU Member, collaborating with satellite institutions that have expertise on the SDG. This structure ensures the diversity of perspectives and cultural exchange.
