23-27

3rd Erasmus Staff Training Week

from 23rd – 27th of May 2022 at Birzeit University, Palestine.

The main purpose of this professional gathering is to welcome colleagues and international partners for a week of presentations and discussions on a wide range of issues important to our collaboration in terms of ERASMUS + and other bilateral agreements. During this week, we will share knowledge and experience, enhance shared values, develop mutual future collaboration, and indeed gain an in-depth knowledge of Palestine

and its language and culture, as applicants will experience a tour around unique places. A comprehensive detailed program including a series of thematic workshops, lectures, reflections on the Erasmus + ICM students and staff mobility, success stories, and examples of good practices in teaching and training will be sent in a later stage.
